Arrowwood Social Credit Study Group Notes

A Social Credit meeting will be held in Phillips' Hall, Arrowwood, at 8 p.m., on Tuesday July 9th. Speaker: J. P. McCaffery.

Mr. McCaffery is a prominent and capable Barrister of Calgary and you should not miss hearing his address.

Everybody welcome.

A Family That Will Be Missed

Arrowwood has suffered heavily in the removal of the Parnell family, who left for England last week. During the winter they visited the Homeland. On returning to Alberta, the appeal of the Old Country was too strong and they sold out to take up residence there.

Mr. Parnell had worked up a fine business for he was an exceptionally good mechanic. His own statement was that he had done well in Arrowwood and really expected to do no better in England.

Mrs. Parnell was very active in the social life of the town. Her splendid gift of music was always at the disposal of the community. After her affiliation with the Oxford Group, her activities in the church were even greater than before. Her Junior Choir contributed regularly to the proceeds of worship. And just before leaving, her young folk presented the United Church congregation with a set of linen for their Communion service.

The best wishes of the community go with Mr. and Mrs. Parnell and family.

Shouldice News

Miss Kennaugh has returned to her home at Carleton Place, teaching in the Shouldice school for two years.

The Shouldice and Queenstown school picnic on Friday, June 28th, was well attended.

Mr. and Mrs. D. Yuill and daughter, Ida May, journeyed to Spokane, Wash., on a two weeks' vacation.

Queenstown Items

A number of Queenstown people attended the sports in Vulcan on Monday.

Mr. Rubbelke is spending his holidays in St. Paul, Minn. During his absence Mr. Burns is relieving.

Miss Binns, of the teaching staff, has returned to Calgary.

The Ross Tea, held in Queenstown, Saturday, June 29th, was well attended.

DENSMORE-RUBBELKE

On Wednesday, June 26th, Agnes May, daughter of Mr. and Mrs. G. A. Rubbelke, was united in marriage to Mr. D. A. Dunsmore, son of Mr. and Mrs. Dunsmore, of Moosomin, Sask. The ceremony took place in the Central United Church, Calgary. Rev. Mr. Todd officiating. Miss V. McLaughlin was bridesmaid and Mr. J. Rubbelke supported the groom. Mr. and Mrs. Dunsmore are spending their honeymoon at Moosomin. On their return they will reside at Inver Lake, Alta. Their numerous friends wish them many happy years together.

Precipitation

Precipitation this week, 31; total from April 15 this year, 4.57 as against 6.04 last year in the same period, according to Saulte Grain Records.

Brotherhood Church Notes

Sunday School 10:30. Morning worship 11:00. The pastor will preach on the "Sacrament of Marriage". Evening service at eight o'clock.

Jr. W.A. Party for Leader

On Thursday the Jr. W. A. held a party in honor of Mrs. Parnell, their leader, at the home of Mrs. Clifgard. A delicious lunch was served, after which June Clifgard, on behalf of the girls, presented Mrs. Parnell with a gift. The program consisted of a vocal number by June Clifgard accompanied by Lila Clifgard, and a piano solo by June. All joined in singing "God be With You Till We Meet Again".

List of Promotions In Order of Merit

Promoted to Grade IX

With Honors—
Dorothy Hesketh, (the) Grace Burger and Emma Richardson, Edith Beagle, Patricia Coleman.
Pass—Max Moss, John Swanson, Phyllis Cochran, Dale Williams.

Promoted to Grade VIII

With Honors—Betty Rheas Jones, Ivy Riches, Inga Nissen, Elaine Swanson.
Pass—Verlynn Culp, Vaughan Allen, Grace Bond, Thelma Brown, Merlin Barriss, Betty Williams.
Conditioned—Carl Damska (art and writing), Beth Hall (arithmetic and grammar), Raymond Lewendon (arithmetic and grammar), Gordon Richards, Dorothy Wiend.

Promoted to Grade VII

Honors—Kathleen Thompson, Gladys Leonard, Elaine Brubaker.
Pass—Clara Beagle.
Conditioned—Fylan Brubaker (arithmetic), Mike Terichow (arithmetic), Arthur Brown (arithmetic).
Miss Harvie, Teacher.

Grade VI to VII

Honors—Shirley Taylor, Mary Welns.
Passed—Eric Nissen, Freda Board, Myrna Lord.
Conditioned—Dayton Williams, Merlyn Miller, Charles Salter.
The two last mentioned boys each missed two months of school.

Grade V to Grade VI

Honors—Marven Bishop, Ethelyn Beagle, Kathleen Riches, Laura Jane Williams, Loris Brubaker, and Ladonna Culp.
Passed—Gerald Jacques, Gordon Oliver, Darwin Miller, Billy Brown, Clarence Royer.
Conditioned in Spelling—Arla Jean Larsen.

Grade IV to Grade V

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Grade III to Grade IV

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Grade II to Grade III

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Grade I to Grade II

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Grade 0 to Grade I

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Grade 0 to Grade I

Honors—Dorothy Jane Jones, Lorry Irwin, Donald Richard, Larry Larsen.
Passed—Velma Lord, Donald Williams, Martha Royer, Beverly Oliver.
Miss F. Leona Spencer
Teacher, Grs. 4-5-6.

Arrowwood Wins Lomond Tournament

Just about the snappiest baseball team ever to be assembled in Arrowwood stepped out on the Lomond diamond Thursday afternoon to dish up a brand of baseball that amazed the fans and carried the locals through to winners of the days honors with two successive victories. The more remarkable was the feat when one considered that five of the high school juniors made their debut in senior company to demonstrate their playing ability and capture a share in the days glory.

In the first game of the day Lomond were extended to the limit before being able to eliminate the Rainier club 3-2 in eleven innings of a scheduled seven-inning game.

The second game of the day between Queenstown and Arrowwood was keenly contested showing the keen rivalry which has ever existed between these two clubs. "Casey" Norstrom, star hurler of the H.S., worked like a veteran to limit Queenstown but 6 scattered hits and but for one costly error, should have shut out the Queenstown club. "AB" Crellin pitching for Queenstown, was to start the excitement. Leroy Richards pitched the first two innings for Arrowwood and then retired in favor of Malvin Bowman who kept the heavy hitting Lomond team well in hand, allowing only two runs in five innings. With Lomond leading 5-3 in the last half of the third, the Arrowwood nine rally went to work under the baseball strategy of playing manager, H. McCullough, to send eleven batters to the plate, score 7 runs with 7 hits, and have one.

(Continued on page 4)

Arrowwood Notes

Strathmore vs. Arrowwood Monday July 8 on the local diamond.

Miss Millicent Taylor was a visitor in Calgary Monday.

Mr. and Mrs. E. D. Archambault were visitors to Ensign on Monday.

Miss E. Jenejohn and Miss E. Harvie are attending Summer School at Edmonton.

There will be no Sunday School at the United Church during the month of July.

Miss E. Andrews left Saturday for a vacation at Lomond.

Mr. and Mrs. R. B. Jones of Calgary are visiting at the Lyle farm.

Mr. and Mrs. C. Johnson and family are spending a week with relatives at Redcliff.

Mr. and Mrs. Cecil Culp and family were visitors to Sylvan Lake over the week-end.

Mr. and Mrs. E. E. Jacques and family spent the week-end in Calgary.

Mr. and Mrs. E. Lewendon, Raymond and Marjorie left on Saturday for Banff, where they will holiday for a week.

Mr. Malcolm Taylor left on Tuesday for Edmonton, where he will take a special course at the University of Alberta.

Don't forget the baseball game Friday, July 5th, 6:30 p.m. on the local diamond, Gleichen vs. Arrowwood. Come and support your team.

The many friends of Mr. W. C. Lyle will regret to hear that he is confined to his bed under the Doctors care.

Mr. and Mrs. M. Lyle of Calgary were visitors at the home of the former parents, Mr. and Mrs. W. C. Lyle, on Sunday.

Mrs. J. Kilborn left on Monday for Toronto and other Eastern points on a visit with relatives.

Mr. and Mrs. R. E. Hales accompanied by Vaughn Allen were week-end visitors to Red Deer. The many friends of Vaughn will miss him as he will be remaining there.

In last Saturday's Calgary Herald was a reproduction portrait of Miss Cynthia Downe, niece of Mrs. A. L. Ingraham. Miss Downe won distinction recently passing her Royal School of Music examinations with honors.

60th Calgary Exhibition and Stampede July 8-13

The 1935 Calgary Exhibition and Stampede will celebrate two memorable events, the 50th Anniversary of the Stampede and the Diamond Jubilee of the arrival at Calgary of the North West Mounted Police, and the President, Directors and Management have planned to make this show the most outstanding one of its history.

On Monday, July 8th, Major Gen. Sir James H. Macbride, K.C.B., C.B., C.M.G., D.S.O., Commissioner of the Royal Canadian Mounted Police will officially open the Stampede, and the Mounted Police contribution to the show will be the famous Mounted Police Musical ride from Regina, which will be given at each days program.

In addition to planning a spectacular show, the Exhibition and Stampede Board have appropriated \$12,000.00 to provide an increase of \$4,000.00 in Exhibition prizes.

The opening item of a thrilling weeks entertainment will be the famous Stampede Parade with its miles of Indians, Old Timers, Cowboys (riding and driving over 1200 horses) 30 bands, and this years added attractions, a detachment of the R.C.M.P. and the 91st Highlanders' band from Hamilton Ont., one of Canada's foremost musical organizations.

"Fascinations of 1035" the gorgeous stage production will delight grandstand audiences each evening.

There will be 7 days running horse races starting the Saturday prior to exhibition dates.

An upturn morning street display will be held on Tuesday Wednesday and Thursday mornings. This will be a most colorful event, with the Indians Mounted Police and 91st Highlanders' Band.

The Friday morning livestock review and parade will draw the largest crowd in the history of this exclusive Calgary feature. In addition to the stock parade, vaudeville numbers, Billy Lorette, the draw for the valuable prizes to be given away, carrier pigeon race, stunts from the platform to Edmonton, the 91st Highlanders' Band will be in attendance and the musical ride will be presented, including tent pegging and section riding as a special treat for the young people. Girls and boys, 16 and under, are admitted free to this program.

Mr. Lund's marvelous wild animal exhibit, "Hunter's Paradise," will again be featured, enlarged and improved.

Friday of Exhibition week will be Stampede Shopping Day.

The Royal American Shows, so popular last year, will again provide fun on the Midway.

Special reduced railway and bus passenger fares will be in force from Alberta, Saskatchewan and British Columbia main land points. Special tourist

(Continued on page 4)

Announcement

Mr. and Mrs. A. J. Kauffman announce the marriage of their daughter, Mildred May, to Clarence Edward Brubaker, on Sunday, July Seventh, at 12:30 o'clock, p.m., in the Church of the Brethren, Arrowwood, Alta. All are cordially invited to attend.

Vacation Days

That happy period in childhood, the mid-summer school holidays, is near at hand. With shouts of joy, laughter, and on running feet the boys and girls of Canada will announce to all the world "School's out," and they will toss their books aside to be forgotten for a couple of months.

In these latter days much of hard working hours, more leisure for the workers of the world, and all kinds of proposals are advanced as to how those leisure hours may be spent in order that they may prove a blessing rather than a drawback in the development of a better type of citizen, in order that they may be to the pleasure and enjoyment of life rather than tend towards poor health and even afflictions.

Now, with two months of absence from school for their children, who are Canadian parents planning for these energetic boys and girls, to keep them out of mischief and to make this vacation time freed from study wholly beneficial and an asset which will prove of value in better health, clever minds, and a most wholesome outlook on life—in a word, prepare these citizens of the future to return to the school rooms some weeks hence keen for another period of study and preparation for life?

Older boys and girls are already home from college, annual church conferences and assemblies have been held, nurses' graduation from hospitals are completed, examinations of all kinds are nearing an end, teachers, too, will be free of their duties, spring work on the farm is past, and in town and city the quiet time in business is at hand. Thus the older generation is able to devote more time and more thought to making these happy days of childhood a real joy and blessing not only to the children but to themselves.

And so the question arises, and ought to be faced, what can we do individually and collectively to make the summer vacation of 1935 a never-to-be-forgotten period in the lives and memories of Canada's boys and girls—your own boys and girls? It is a responsibility to be discharged, just as it is a pleasure to be derived by those who discharge the responsibility. And this combined responsibility and pleasure for parents, and unalloyed pleasure for children, should not be neglected this year especially, following, as it does, so many years of economic depression and, for many in this western country, disaster crop failures and business reverses.

Fortunately, it does not cost much in money to give children a good time, a happy holiday. Fortunately, again, Canada is blessed by Nature with almost innumerable beauty spots for holiday purposes. There is a province in Canada which does not abound in lakes, large and small; numerous resorts and camping grounds are numerous, places to camp and picnic are to be found in easily accessible places. Full advantage should be taken of these to provide outings for the boys and girls, even though individual circumstances may make such outings of brief duration.

In summer time especially Canada is a land for out-of-doors. Get the boys and girls out into the open, and keep them there as much as possible. They are in school rooms and shut up in houses in the winter time for long months of the year; they need the health-giving properties of the sun throughout the summer holiday season, the clean, invigorating fresh air, the delights of forest and lake. Get them as close as possible to Nature in her happiest moods and most beautiful dress.

And make these vacation days of lasting benefit in other ways. See that the boys and girls are taught to swim. It is little less than a crime that so many Canadian boys and girls never learn to swim, and so many tragedies result which are so easily preventable. The art of swimming should be a part of every child's education. It is not only one of the best forms of exercise, making for the development of muscle; it is not only a source of great pleasure; but it is a preparation for emergencies that may arise in their own lives or in the lives of others.

Unconsciously, too, the work of the school room can be carried forward. Powers of observation can be developed and strengthened during vacation days spent in the open; habits of cleanliness, neatness, orderliness, can be made a part of camp and holiday life, and accepted as part of the fun, which will stand children in good stead in future years; initiative, ideas in handicrafts, resort to simple invention to meet the lack of usual equipment at home—all these things mean a greater all-round development of character.

An elaborately organized holiday is not necessary, neither should much expense be entailed. Get out with the children and rough it for a while. They will enjoy it just as much, and perhaps more, than an expensive trip or outing where everything is planned and arranged for them. To a large extent, the boys and girls should be a full share of the camp or holiday work. Properly organized and time systematically divided between these duties and the hours of play, boys and girls will enjoy and benefit from doing the camp chores.

Forget the motor car occasionally, and spend a day on a hike. Older hands know the delights and benefits of a walking tour, or a day's hike, which Canadians have not learned to appreciate. Try one this year with your older boys and girls.

Think up other things and ways in which this holiday season can be made happy, healthful and useful. Vacation days present an opportunity to get closer to your children than is possible in the busier days of the year. It is an opportunity for you to study them; ascertain their weaknesses, or strengths; gain their confidence in larger measure; learn of their ambitions, and as a result be in a better position to mold their characters along right lines, and check tendencies and habits, hitherto un-noted by you, which would prove a handicap to them, and a possible source of future worry and sorrow to yourself as well as to them.

Problem For Astronomers
Mars, where weather extremes are almost an hourly matter and life-giving oxygen is virtually non-existent, has presented a new problem to the astronomers of this world by producing what seems to be snow out of season.

Pupils in the middle grade of schools in China have been ordered to take military training.

Lloyd's Insure Vimy Pilgrimage

Stress Necessity of Making Early Bookings

The Canadian Legion announced today that Lloyd's of London, England, has insured the Vimy Pilgrimage, to be held in July of next year, against abandonment in the event of war, financial panic or other unforeseen events.

Bookings are pouring into the Legion headquarters. Hope is expressed by Legion officials that service men realize the necessity of registering early in order to be certain of accommodation.

"It is difficult to impress a veteran with the idea of making a ten dollar deposit now when he knows he can pay the full hundred and sixty dollars when the time comes," said Captain Ben Allen, Dominion organizer, to the press today. "Early bookings are necessary, however, so that we can get enough ships to take care of the thousands who intend going."

"And pilgrims only are going to be allowed to sail in this Peace Armada. Also we must arrange early for lodging accommodation and rail and motor transportation in France. The naval, military and civil authorities in France, Belgium and England are extending us every co-operation. It looks like Canada's year in Europe next year."

Hold Up By Robin

Nesting Bird Delays Altering Of High C.N.R. Signs

Plans to alter a huge electric sign fronting the Canadian National station in Winnipeg were thwarted out of consideration for a motorist who whose nest is attached to the letter "R".

Working of a new sign designed to replace the old had been under way for some time. Electricians were summoned and all was in readiness to flash out the attractions of summer months. Then office workers who had seen the bird sitting on her four eggs reported to officials, and it was decided, excursions or no excursions, Mrs. Robin must not be disturbed.

Meantime efforts were being made to stop a sign which would leave the "r" in its present position.

Latest Life-Saving Net

Device For Use At Sea Was Successfully Tested

An ingenious life-saving net which experts state will minimize perils of the sea has been demonstrated at Cardiff.

The invention is a raft consisting of tubular cork bags made into a net lashed with wire. It is produced by a Cardiff ship-repairing firm. It can be unrolled down a ship's side to serve as a ladder, or floated alongside foundering or burning vessels in order to catch and save the launching of an ordinary life-boat impossible.

Orders have been received from liner and tanker firms. The device is expected to form the basis of a new life-boat.

Marriage in Film Land

Canadian Bronco Buster Reported To Have Wed Daughter Of Tom Mix

Ruth Mix, daughter of Tom Mix and Harry Knight, champion Canadian bronco buster, eloped to Reno, Nev., where they were married, said a telegram from Knight, received at Hollywood by Tex Austin, promoter of cowboys contests.

"We tied the knot to-day," read the message. Miss Mix, whose father is famous for cowboy roles on the screen, formerly was married to Douglas W. Youngblood, of Oxford County, England, was annulled at Middleton, N.Y., in July, 1932.

Knight's home is at Banff, Alta.

New Story For Ripley

Here's one for Ripley, "Believe It Or Not," but it's a fact anyway. A W. Youngblood, of Oxford County, England, was annulled at Middleton, N.Y., in July, 1932.

Knight's home is at Banff, Alta.

A Full-Time Job

What are the functions of a lieutenant-governor? asks a constitutional writer. In Manitoba, says the Winnipeg Tribune, the duties start daily, Sundays included, somewhere around 8 a.m., and last frequently until the clock turns to a.m. of the following day. Not more than a thousand organizations of one kind and another have their eye on the governor as a prospective guest at one or more events.

Butterfly Hunter

Man To Travel 4,000 Miles To Pursue Life-Long Hobby

At the age of 73 Walter Dannatt, a retired business man of London, will leave shortly to travel a thousand miles up the Amazon in pursuit of his lifelong hobby of butterfly collecting.

Mr. Dannatt has a remarkable collection of butterflies, the number numbering more than 15,000, and he hopes to add to it considerably as the result of his new venture.

"I keep it by cycling," Mr. Dannatt added. "I have had the same machine for 30 years, and have travelled more than 150,000 miles on it. One week-end I covered more than a hundred miles."

"Before I bought my present machine I had the first safety bicycle in the country."

On the subject of his hobby, Mr. Dannatt said: "Some of my specimens come from as far as the Solomon Islands. The collector who secured them was repeatedly driven off by cannibals in attempting to land. He at last succeeded by brandishing a revolver."

Boosting Bay Route

First Vessel To Be Chartered For 1935 Season Is The Ashworth Of The Dalgleish Line

Announcing the Ashworth of the Dalgleish line is the first vessel to be chartered for the 1935 season, Brig. The On-to-the-Bay Association, at the On-to-the-Bay Association, at Winnipeg, forecast a most successful year for grain exports over the Hudson Bay route.

More ships would visit Churchill, Manitoba's northern seaport, this season than any season previously, General Patterson said. Judging from the numerous inquiries received from persons in different countries, General Patterson said many tourists would visit the port this year.

The Ashworth will leave England in time for the official opening of the Hudson straits and is expected to dock at Churchill shortly after the opening date, August 10. The Ashworth will bring cargo to Churchill from Newcastle, Antwerp and Liverpool.

Royal Military College

List Of Western Graduates, And Those Receiving Diplomas

Corporal Ian Mondel Drum, Victoria, B.C., graduated from Royal Military College with honors.

Other Western cadets who graduated are: Cadet Gordon Dale Macallister, Regina; Cadet Edward Maurice Hodgen, Bosthern, Ont.; C.M. John Alexander Hornbuckle, Calgary; Cadet John Despard, Victoria; Cadet Murray Duncan, Lethbridge; Corporal J. Edgar Wilkins, Penikese, B.C.; Cadet George Ross Davidson, Custer, Alta.; Sergeant Robert Summers Stronach, Calgary; Cadet John Henry Desmond Barrett, Victoria.

The following will be awarded diplomas after satisfactorily passing their final examinations: Corporals Thomas Alfred McPherson, Victoria; Corporal William Carroll Patterson, Calgary.

For Anglo-American Amity

Eight Thousand Former Residents Of British Empire Had Gathering At Los Angeles

Upwards of 8,000 former residents of the British Empire, enough to make a small city, picked up, Los Angeles, California, in observance of the silver jubilee of King George.

The outdoor luncheon grounds of Lincoln park saw a gathering of people from all parts of the empire.

Francis E. Evans, British consul and guest of honor, pleaded for Anglo-American friendship and peace, as with such a season of English re-joining international ties should be even closer between former British subjects and Americans.

Francis E. Evans, British consul and guest of honor, pleaded for Anglo-American friendship and peace, as with such a season of English re-joining international ties should be even closer between former British subjects and Americans.

Started Apple Industry

On tiny Belle Isle near Annapolis, Nova Scotia, Pierre Martin planted several small trees 302 years ago, which he had brought to the new world with him from Normandy. From this small plantation, the famous Annapolis valley apple industry arose.

NATURE'S MINERAL SALTS
Contains the richest source of the most powerful mineral salts for the body. Nothing better for the health of the body than these salts. They are found in the water of the sea. At all drug stores.

Vitamin Exhibit

Science Produces Crystals Which Have Strong Potency

A new vitamin plain killer, pure vitamin "B" made into crystals which give wholesome relief from neuritis, was announced at the joint convention of the Canadian and American Medical Association at Atlantic City.

These crystals are a recent new product of science and so potent that one size of a pinhead is equal to 100 cakes of yeast in vitamin "B" effect.

A pinhead or less, per day is the dose of this pure vitamin which cured or relieved 80 per cent. out of 100 cases of neuritis, the first human beings to receive this new vitamin treatment.

The same tiny dose of pure vitamin also improved some cases of human diabetes.

The vitamin exhibit was made by M. G. Vorhaus, M.D., who did the medical work. Dr. R. Williams of Columbia University, who produced the pure crystalline vitamin; and R. E. Waterman and Sidney Burkowitz. All are from New York City.

"B" is known as the nerve vitamin, the lack of which causes beriberi. But that it could cure neuritis was unknown. Physicians never had enough of it to try out before.

Girl's Kuse Fools Thief

Recovers Jewel From Robber By Clever Trick

A young woman in Shanghai, China, who refused to be alarmed when a thief snatched a pearl earring valued at \$1,000 from her ear recovered the jewel by a ruse as clever as it was daring. As she started to run away, the woman reached for the other earring and called to him: "Here," she cried, "you might just as well take the other one. I only paid \$2.50 for them." The robber, hearing a stream of incoherent utterances from the woman who wore imitation jewelry, tossed the earring he had snatched into the street and left.

Tuberculosis Seals

Receipts Twelve Per Cent. Higher Than In 1933

Receipts from the Christmas sale of the Canadian Tuberculosis Association were 12 per cent. higher in 1934 than in 1933. It was reported to an association meeting at Toronto, Saskatchewan, New Brunswick, Montreal and Hamilton had notable increases.

Research awards to junior staff members in Canadian sanatoria and clinics, for 1934, follow: Dr. C. P. Waterman, Fort St. John, Sask.; Dr. A. R. Boyd, Vancouver.

All Done By Hand

A. E. W. Mason, the famous novelist and dramatist, who is 70 years old, is one of the few popular writers of today who do not dictate their work to a secretary or use a typewriter. He carefully plans every detail of a story before he begins to set it down on paper, then writes it all in his small but neat and perfectly legible script. Generally he writes a few chapters, then rewrites them and so on until the book is complete.

Little Journeys In Science

BROMINE

(By Gordon M.A.)

Bromine was discovered about a century ago by the French scientist Balard. The element occurs in nature as bromides, chiefly as magnesium bromide and sodium bromide, which are found in many springs and salt deposits. The Stansbury deposits in Utah and the salt waters of Michigan and Ohio are richest in bromides. Sea water also contains small amounts of bromides.

Bromine is prepared commercially by the electrolysis of a solution of a bromide or by treating solutions of bromides with the more active element chlorine.

In recent years the demand for bromine has greatly increased, due to its use in the preparation of a compound called ethyl bromide. This compound is a constituent of gasoline. An effort is being made at the present time by scientists to obtain additional supplies of bromine from the bromides in sea water. Sea water contains about seventy parts of bromine in a million of water, which means that about 2,000 gallons of the water must be treated to secure a pound of bromine. To recover bromine from sea water, a ship was equipped capable of recovering 100,000 pounds of the element per month. It has been reported that the trial trip of this vessel was quite successful, and that a year or two of rather large size experiment a plant has been built on the Atlantic coast for the extraction of bromine from the ocean. The success of this venture has suggested the possibility of extracting gold from sea water in a similar way.

Bromine is a dark-red fuming liquid with a very disagreeable odor. It attacks the eyes very painfully and produces great irritation when inhaled. It is about three times as heavy as water and is moderately soluble in water.

Bromine is a compound produced when bromine combines with other elements. Those of potassium and sodium are used in medicine as sedatives and in the preparation of silver bromide, which is used extensively in photography as the sensitive material on the plate. Bromine is also used in the preparation of important dyes. Considerable quantities of bromine are used in the manufacture of tar-gases, or lacquer-solvents.

A Clanny Court

"The Campbells are comin'" was a fitting song in Cobourg, Ont., the other day, says the Toronto Star Weekly. The Campbellford police court is held in Cobourg, and on the bench was Magistrate W. A. Campbell, with the accused was Thomas Campbell, and the police officer who laid the charge was D. Campbell of Campbellford.

GARNET WHEAT

After August 1st next, under "Amendments Made to The Canada Grain Act," very small mixtures of Garnet in other kinds of wheat, or of other kinds of wheat in Garnet, will lower the grade. Mixtures of varieties in the field can be detected by examination of the heads. To assist farmers to recognize mixtures in their own crops the Searle Grain Company at each elevator has a Demonstration Plot where the important varieties of wheat, oats and barley will be found growing in a pure state. Farmers are invited and recommended to visit these plots.

Mr. and Mrs. Amos Ingraham motored to Calgary Saturday and returned Sunday accompanied by Miss Verna Ingraham, who has a three weeks vacation from duty at the Holy Cross Hospital.

The W.A. birthday party held last Wednesday at the home of Mrs. J. Mrs. J. Mack was a successful affair. Some 80 guests were in attendance and a substantial sum of money was realized.

Rev. V. M. Gilbert preached his farewell sermon to the Arrowwood congregation last Sunday morning. Best wishes go with Rev. Gilbert to his new field at Strathmore.

Arrowwood Wins Lomond Tournament

(Continued from page 1)

left on base. Three Lomond players were called on to stop the barrage of blows but the task was a difficult one as Arrowwood continued to crash on to a 9-6 victory. Consistent fielding and hitting by every member of the Arrowwood team was a feature of the days play and enabled the team to be successful.

Summary Church Report Jan. 1 July 1, 1935

During nine weeks of the half year, the Pastor and wife were engaged in Bible School teaching.

During Jan. and Feb. weekly prayer meetings were held in the church.

During March prayer services were held by members of the congregation nearly every night in different homes.

Exceptionally well planned and well attended Teachers' meetings have been carried on by the Superintendent, meeting every two weeks much of the time.

Four regular business meetings were conducted by the Elder with an average attendance of 25.

One love feast was held with an attendance of 81.

About 75 attended the Good Friday service.

Eighty-seven attended the Mother and Daughter supper.

Forty-four Leadership Training credits were earned during the past winter, most of them by members of this congregation. This makes a total of 122 Leadership Training credits granted by the Canadian Council of Religious Education to classes conducted by the pastor and wife during their two years residence in Arrowwood.

Seven were baptized on Resurrection Day.

Forty-two sermons were preached by the pastor in regular Sunday services. Six sermons by others. Five full Sunday night programs.

One funeral was conducted.

The Pastor made several trips to Irricana for church work; 1 to Kindersley, 1 to Victoria. He was absent in service 1 Sunday morning and evening. Also absent one entire Sunday to observe other churches in action.

A number of prayer services not above noted have been conducted in the church and in homes, most of them with excellent attendance.

Average attendance, Sunday School 88, morning service 90, Evening 68.

Here and There

Two or three times as much rainfall this year between April 1 and May 8 on the Prairies as compared with the same period last year makes the outlook for the 1935 harvest similar to that at the same time of year in 1933 when the largest crop since 1928 was recorded, states T. S. Acheson, general agricultural agent of the Canadian Pacific Railway in the West.

The 1935 Ford V-8

is acclaimed by everyone for its stunning beauty, luxurious upholstery and smart appointments. Beneath shimmering beauty is Gibraltar-like strength and safety—a welded-into-one-piece solid steel body. The extremely strong X-type frame of last year has been further strengthened. The breaks are more powerful and operate with less pedal pressure. Big Air-Balloon tires give more road contact and resist tire roll on fast corners. De Luxe models are equipped with Safety Glass all around—at no extra cost.

Our new SPECIAL WHITE GAS is a refined product and is meeting with general approval—at a new low price.

Autolene Oils, the life-saver of gas engines—a weight for every purpose at attractive prices.
